Exam Registration for SWAYAM-12 January 2024 Semester Courses developed by NITTTR Bhopal

We are glad that number of learners are taking benefit of the following MOOC courses developed by NITTTR Bhopal and have registered in courses(s) to develop their skills in the Jan 2024 semester.

| | |
|-----|---|
| 1. | ICT in Teaching and Learning |
| 2. | Basic Instructional Methods |
| 3. | Instructional/ Educational Media |
| 4. | Advanced Instructional methods |
| 5. | Professional Ethics for Higher Education Teachers |
| 6. | Fundamentals of Outcome-Based Curriculum in Engineering Education |
| 7. | HM 02 - Research, Innovation & Social Relevance |
| 8. | HM 06 - Intellectual Property Rights |
| 9. | HM 10 - Developing Academic Management & Leadership |
| 10. | 3D Printing and Design for Educators |

These MOOCs are AICTE approved and are of 2 or 3 credits. The final Assessment and certification is based on attainment in Internal Assessment (30%) and proctored examination (70%).

The National Testing Agency (NTA) has officially opened the Exam Registration Form for the SWAYAM-12 January 2024 Semester Candidates. As you must be aware, for certification, participants need to register and write the proctored exam in person at any of the designated exam centers.
