

## IMPORTANT POINTS

NITTTR Bhopal, is one of the premier institutes established by Ministry of Education, Govt. of India. The institute is offering skill-based **One-year Post Graduate (PG) Diploma programmes** in different domains as per the need of Industry 4.0 through its Dr. B.R. Ambedkar Siemens-Centre of Excellence in self-finance mode.

The institute is starting two PG diploma programmes from academic session 2024-25 as per given details:

S.No.	Name of PG Diploma programmes
1	Industrial Internet of Things (IIoT)
2	Robotics and Automation

These programmes have been prepared to fulfil the gap between any conventional industry and a smart industry by delivering industry insight. The skilled based programmes are focused on Control & Automation, Robotics and Internet of Things (IoT). The aim of these programmes is to aware intelligent digital technologies in the industrial growth.

1. The duration of PG diploma is one year (40 credits) and multiple exit is applicable during the programmes. On the basis of NEP 2020, the participant can take exit after 03 months or 06 months after the assessment with a credit-based certificate (with 10 credits) or advance certificate (with 20 credits).
2. Application form only in the Prescribed Format available on website ([www.nitttrbpl.ac.in](http://www.nitttrbpl.ac.in)) are considered from the candidates for the admission to One-year Post Graduate (PG) Diploma programmes during the session 2024 starting from 2nd week of July 2024. The link for the application form is:

<https://forms.gle/VsGuRy5QBzRuZFXs9>

3. No application form will be considered without application Fee, attested copies of Mark sheets/qualifying Examination, and Experience certificates. **Last date of application form is 07-06-2024 before 05:00pm**
4. Details for the application fee submission (through NEFT or UPI only) are:
